

# STAFF *Appreciation Week.*

We would like to ask, in whatever capacity you feel comfortable, to help your child choose a kind gesture or gestures. Here are some general ideas for each day. Keep in mind, teachers are most touched by intention, cost is not important! Thank you in advance for building our Facilitators up!

## *All Staff Gift*

We are ordering personalized gifts to be made for each of the Facilitators, if you'd consider making a \$5-\$10 donation. You can bring cash or donate via venmo (below Candice-Butera)

## *Garden Flowers or Plant*

Natural beauty brings such joy, pull flowers from your home garden or bring something to grow.

## *Thank You Card or Drawing*

These make for the most sincere gifts from learners! Facilitators really love getting these personalized creations!

## *Staff Luncheon*

A yummy lunch will be provided to staff from our Admin and MLN Exec Team! Look out for a sign up sheet to bring sides/desserts/drinks!
